The SPEEC Launch Party was a great success!

Wow, what an incredible night we had. With more than 250 sex-positive people in the room, the energy was incredible. If you were with us last night, you know what an amazing time we had, and if you couldn't be there, let me tell you – Portland has an incredible mix of sex-positive communities.

SPEEC has been a labor of love for the board and volunteers for more than two years and it was unbelievably gratifying to share this project that we've worked so hard on with the community.

We've been saying all along that SPEEC is something that the communities of Portland need and want, and the turnout and enthusiasm last night showed just how right we were!

Seeing so many people- and, hearing what everyone had to say about why a space like SPEEC is so important-, has left us more dedicated and energized than ever. We're going to make this happen, and we're going to do it together!

That's why we're asking for your support – because we can't do this without you. Starting a venue like SPEEC is an expensive venture, because we're laying a sustainable foundation so that SPEEC will be a resource to Portland's sex-positive communities for years to come.

Please, join with us today by making a tax-deductible donation to SPEEC, and help us ensure that Portland will have the Sex Positive Event and Education Center it deserves.
